In order to better assist our Graduate Student Employee population, I will be at the HRS Office, located in the Administration Bldg room 390, on Wednesdays & Fridays weekly. I will still be able to receive all calls and emails at the same number and email address.

I will continue to have office hours on Monday, Tuesday and Thursday from 8:30-4:30 over in the Infirmary.

Please do not hesitate to contact me if you have any questions or concerns, thank you and have a good day.
